

## PANTHER BASKETBALL CAMP July 19-22, Grades 2-6 \$100

COACH: *Jim South*

Boys basketball camp will focus on developing individual skills and player development, as well as on learning 5 on 5 team concepts. Players will be given opportunities to learn about offensive and defensive skills. Camp times will be from 9 a.m. to 12 p.m. each day. Registration forms will be sent home with students, and information can also be found on the mhbs.org website. Email Coach South at [jsouth@mhbs.org](mailto:jsouth@mhbs.org) with any questions.

## LADY PANTHER VOLLEYBALL CAMP July 12-14, Grades 2-6 \$60

COACH: *Flori Sweatt*

Lady Panther Volleyball Camp will focus on introducing the sport of volleyball to young girls. The camp will focus on the basic fundamentals of volleyball, which will include hitting, passing, serving, and setting. Each day will be filled with fun team and individual competitions. Camp times will be from 9:30 am - 12:00 pm each day. Registration forms will be sent home and can also be found on the MHBS website. Please contact Flori with any questions at [florisweatt@hotmail.com](mailto:florisweatt@hotmail.com) or 256 412-5287.

## CHEER CAMP Coming Fall 2021

Cheer camp will be a fun time for girls to work with some of the varsity cheerleaders to practice cheer, spirit, jumps, stunts, and more. Camp will take place in the Fall, and the girls will perform at a varsity football game with the varsity cheer squad. This camp will be for ages TK-5th.

## STEM CAMP

June 14-18, Grades 1-4

\$200

**TEACHERS:** Morgan Snodgrass, Julie Mitchell, Amy Young

Camp STEM has been carefully designed to keep young brains entertained and stimulated throughout the week by providing fun and engaging learning opportunities through Science, Technology, Engineering, and Math activities. Students will work both within their grade level and across grade levels to provide mentoring opportunities for older students, while allowing younger students to benefit from the skills and knowledge of their older peers. Every day of camp will include three sessions, science, math, and robotics, with breaks, lunch, and group activities in between. The description for each session is stated below:

**Robotics-** Robotics camp is a fun opportunity for students to learn about building and programming robots. The students will learn the steps of The Engineering Design Process and how to apply them. We will use BeeBots, Dash, Lego WeDo 2.0, and Vex robots. We will have daily hands-on challenges that provide opportunities for the students to show how innovative they are.

**Science-** Science camp sessions are a weeklong adventure into the world of science. Children will have the opportunity to learn about the Scientific Method through hands-on science experiments and STEM challenges.

**Math-** Aligned with College and Career Readiness Standards for math, the curriculum will enhance problem-solving strategies and broaden participants' understanding of core concepts through age appropriate games, puzzles, models, and hands-on activities. These activities will give students the opportunity to make math both fun and concrete.

Camp will be Monday – Friday from 9am to 2pm. Each camper will get a camp T-shirt. Students need to bring a lunch and a drink to camp each day.

Registration forms will be sent home and can be completed by using the QR code provided (see back of brochure). If you have any questions, you can email Morgan Snodgrass at [msnodgrass@mhbs.org](mailto:msnodgrass@mhbs.org).

*\* All grades indicate the grade the child is entering for the 2021-22 school year*

## ART CAMP

June 22-25, Grades K-6

\$105

**TEACHER:** Robin Barrier

Art camp will be an amazing adventure in the Mars Hill Bible School Art Room where students will learn techniques in drawing, painting, sculpting, crafting, singing, and more. Kindergarten – 3rd grades will meet from 9 am to 12 pm each day and 4th-6th grades will meet from 1 pm to 4 pm. The camp fee will include a daily snack and camp t-shirt. Registration forms will be sent home and can also be found on the MHBS website. For questions, please call or text Robin at 256-554-1344.

## LADY PANTHER BASKETBALL CAMP June 2-4, Grades 2-6 \$60

**COACHES:** Flori Sweatt, Mamie Hill, Cophia Rutherford

Lady Panther Basketball Camp will focus on teaching girls the basic fundamentals of basketball. The camp will teach both offensive and defensive skills. All campers will participate in daily ball handling, shooting, passing, and rebounding stations. Each day the girls will participate in individual and team competitions. The main purpose of the camp is to show girls how much fun basketball can be. Camp times will be from 9 am- 12 pm each day. Registration forms will be sent home and can also be found on the MHBS website. Contact Flori with any questions at [florisweatt@hotmail.com](mailto:florisweatt@hotmail.com) or 256-412-5287.

## GIRLS' SOFTBALL CAMP

June 7-10, Grades K-6

\$80

**COACH:** Mollie Mitchell

Coach Mitchell and the Lady Panthers welcome all girls in K-6 out for a great learning experience. We will work on the fundamentals of the game of softball, along with fun games with Lady Panther team members. All campers will receive a camp T-shirt. Registration forms will be sent home and will also be available on our Facebook page. Email Coach Mitchell at [mmitchell@mhbs.org](mailto:mmitchell@mhbs.org) with any questions.
